"The Loudon family says thank you to our church family as we celebrate our first year of service to the Lord together. Making a move with four children can be challenging but this church and community made it nearly seamless. Though we didn't have a long way to travel, the positive differences that our church and community have shared have been a blessing. So again, for all of you who made this first year extra special, thank you, and here's to many more!"
